## South African Businesses take on Digital Transformation

SUSE along with BusinessTech undertook an online poll with IT decision makers across South Africa to better understand their sentiments on digital transformation. Here's what we discovered.

## How would you describe your company's digital strategy?

64% We are proactively working on our digital strategy.

20% We are interested, but are pot sure of a

but are not sure of a strategy or solution.

### **16%** We do not have

Ęſ

any digital strategy in place.
